**CRIMINAL HISTORY AND REGISTRY CLEARANCES -
Contractor Form**

Before a final offer of a contract is made, The Texas Administrative Code, Chapter 414, Subchapter K, effective February 6, 2002, requires local authorities and community centers to obtain criminal history record information directly from the Texas Department of Public Safety (TDPS) on applicants for employment, volunteers, interns, and contract providers.

In addition to obtaining criminal history record information from TDPS, local authorities and community centers must get criminal history information on applicants for employment, volunteers, interns, and contract providers who have lived outside the State of Texas at *any time* during the two years preceding the application for employment, internship, contractor or volunteer status. This is obtained through the FBI using a complete set of fingerprints on the official FBI card (arranged by the Human Resources Department).

This rule also requires the local authorities and community centers to search the Health and Human Services Commission (HHSC) Employee Misconduct Registry and the HHSC Nurse Aide Registry to determine if an applicant, employee, or contract provider is listed in either registry for having abused, neglected or exploited a resident or consumer of a facility or misappropriated a consumers property. Suppose listed as unemployable in the registry; the Center cannot employ, contract with, or give volunteer status to a prospective or current individual.

This Center will also check the Health and Human Services Inspector General site OIG Exclusion database for individuals and entities currently excluded from participation in Medicare, Medicaid, and all Federal health care programs.

To process the request to Contract with the Center, the following information **MUST** be completed and returned before the process can continue.
